### **PROFIT WARNING**

This announcement is made by TEM Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (the “**Board**”) of the directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the year ended 30 June 2018 (“**FY2018**”), the Group is expected to record a significant increase in loss of more than 300% for FY2018 as compared to the loss of approximately HK\$2.0 million for the year ended 30 June 2017 (“**FY2017**”). The Board considers that the significant increase in loss was primarily attributable to:

- the decline in gross profit which was caused by the continuous shortage of supply and tight delivery of raw material from a major supplier which led to an increase in the cost of direct materials and the cost of manufacturing overheads; and
- the depreciation in the exchange rate of US dollars against Malaysian Ringgit which resulted in exchange losses as compared to an exchange gain of approximately HK\$2.3 million for FY2017.

As at the date of this announcement, the Company is still in the course of finalising its annual results of the Group for FY2018. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available to the Company. Such information has neither been confirmed nor audited by the auditors of the Company and may be subject to change. Shareholders and potential investors of the Company shall refer to the annual results of the Group for FY2018 to be published in due course.
